

RESOLUTION NO. 92-08 OF THE CITY COUNCIL OF THE CITY OF PIEDMONT APPROVING A POLICY STATEMENT REGARDING MID-MANAGEMENT **FIRE CAPTAINS** APPROVING AND AUTHORIZING SPECIFIED COMPENSATION AND SETTING FORTH OTHER TERMS AND CONDITIONS OF EMPLOYMENT.

BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF PIEDMONT AS FOLLOWS:

SECTION 1 POLICY STATEMENT REGARDING FIRE MID-MANAGEMENT PERSONNEL

The City Council wishes to acknowledge the special public service rendered by the city's Fire Captains. Under the operational supervision of the Fire Chief, the Fire Captains are responsible for producing high quality and effective city services, as required by the City Council. They organize subordinates into effective work units, administer ongoing programs, motivate personnel, resolve operational problems and apply the full range of modern management techniques. Fire Captains often speak directly for the city government and, thus have a decisive effect on how the city is judged. The public's view of the city's ethical and administrative standards results from observation of the conduct and problem solving abilities of these individuals in their extensive public contacts.

Fire Captains work whatever extra hours are required for appearances before Council, city boards and commissions, citizens' groups and intergovernmental bodies; for maintenance of essential services during emergencies; and for accomplishment of work assignments which often impose time expenditures for in excess of the conventional work week.

Therefore, considering the special responsibilities inherent in the management role, the City Council adopts the following policy regarding management personnel compensation:

Compensation shall reflect the greater level of responsibility characteristic of managerial positions.

In determining compensation, consideration shall be given to various pertinent factors, which may include maintaining a comparative and relative relationship with similar positions in other comparable public agencies within the city's local labor market area; and as well as the city's budgetary considerations.

Levels of compensation shall be reviewed in December 2010 by the City Council and, if appropriate, suitable adjustments made upon consideration of the city administrator's recommendation.

SECTION 2 HOURS OF WORK

2.1 Workday and Workweek

It is expected that mid-management employees will work as many hours per day as are necessary to fulfill the requirements of their position.

2.2 Work Performed During Disaster

2.3 Overtime/Fire Duty Captain

Fire Captains shall receive overtime for all work in excess of the fifty-six (56) hour workweek, when assigned for by the Fire Chief. Overtime will be compensated for at one and one-half (1.5) the straight-time rate of pay for the classification to which the employee is permanently assigned.

2.4 Work Schedule

The work schedule (48 hours on duty and 96 hours off duty), as set forth in City Council Agenda Report dated March 4, 2002, shall be in effect during the term of this Agreement; provided, however, that if for any reason the Fire Chief deems it necessary to revert to another work schedule, then the Fire Chief shall give written notice to the Fire Captains, and explain the reasons for the schedule change. The Fire Captains shall have 30 days to respond, and meet with the Fire Chief. Thereafter, the Fire Chief may change the work schedule at his discretion.
