

City of Piedmont
COUNCIL AGENDA REPORT

DATE: March 19, 2007

FROM: Geoffrey L. Grote, City Administrator

SUBJECT: **Approval of an Agreement with SEIU Local 790 Authorizing a Change to SEIU Local 1021**

RECOMMENDATION

Approve the attached agreement which transfers representation of SEIU employees from Local 790 to Local 1021 and confirms that in all other respects the current collective bargaining agreements are to be maintained.

BACKGROUND

SEIU, which represents both miscellaneous and public safety employees in the city, has recently undergone a restructuring, merging 10 locals in 1. A formal agreement with the city is required in order for this new entity to represent the city's employees and to legally maintain in force all of the current bargaining agreements.

There is no cost or impact to the city from approval of this agreement.
