STORY POLE CERTIFICATION

(Must be prepared by a California Licensed Surveyor or Civil Engineer)

On MAY 18, 2017, I surveyed the story poles located at
date

314 WILDWOOD AVE, Piedmont, Ca., related to plans
property address

submitted as part of design review application #16-0385.
application number

I have determined that the story poles are in substantial compliance with the plans dated
2/15/17, and accurately represent the proposed
plan date or City date-stamp date

construction in terms of dimensions, corner/wall locations, and ridge heights/locations.
