Is your house leaking energy and money?
Get REBATES to Upgrade now

Energy Upgrade California is your path to greater efficiency and comfort

Energy Upgrade California in Alameda County is a one stop shop for homeowners to find everything they need to make home improvements that save energy, water and other natural resources. The program connects you with qualified contractors who can plan and complete your project—and get you rebates to help pay for it.

Take a “whole house” approach
The sum is greater than its parts

Increasing your home’s efficiency isn’t just switching out light bulbs or adding low-flow showerheads—it’s approaching your home as a complete system, with heating, air-conditioning, water and other systems working together more effectively to help lower your bills. Energy Upgrade California provides the professional resources you need to take that “whole house” approach.

Get Your REBATE!
With thousands of dollars in rebates available, it’s the right time to plan your upgrade.

The benefits:
• Lower utility bills
• Greater building comfort
• Reduced energy and water use
• Minimized waste
• Improved indoor air quality
• Increased house value
• Reduced impact on the environment

Upgrade Packages
Are you already planning a remodel? Need to replace an old heating system? Want your renovation to achieve green building certification? Or are your utility bills just too high? No matter what your situation, Energy Upgrade California can connect you with the right professionals to help you select the best package for your project.

Participating Contractors
All Energy Upgrade California contractors are trained to provide the highest quality of service. Contractors qualified to provide the Advanced and Green Upgrade Packages receive additional training and certification from nationally respected home performance and green building organizations. A rigorous quality assurance system ensures that Energy Upgrade projects meet program standards.

Rebates and Incentives
There are many ways to help pay for your Upgrade Package, including utility rebates, Cash for Appliances rebates, Federal Tax Credits and local government incentives.

PG&E Utility Rebates
PG&E is offering the following rebates for Energy Upgrade Packages.
